Thousand Islands Hotel Burned.  
THOUSAND ISLANDS PARK, N. Y., Sept. 10.—The Hotel Pullman, the second oldest summer resort on the St. Lawrence, located on Grenville Island, was burned at 2 o'clock this morning. The fire started from a defective chimney, used yesterday for the first time in years. Capt. E. G. Robbins, the proprietor, Mrs. Ballard, the cook, M. Larue, the carpenter, and Mrs. Joseph Rich and Miss Amelia Potter, of Rome, guests, narrowly escaped. The building was owned by the estate of the late L. F. Taylor of Rome and was valued at \$1,200. The fire threatened to sweep the cottages on Grenville Island, but a heavy dew and a favorable wind saved them.

Send for samples, measuring outfit and fashion plates.
